

# Untitled

**easy slides in typst**

2024-01-07

Author Name

# **1 First Section**

# First Slide

This is the first slide. After this comes a Term and its Definition.

**Term**

Definition

Now some code

```
print("Hello World")
```

## First Slide (ii)

And here the text continues on a new slide, but under the same heading.

## Second Slide

This is the second slide.
